If you have a question about your washer or dryer, the first place to start is by reading the operating manual or checking the manufacturer's website. You'll find the instructions on how to use the washing machine or dryer, correct maintenance information and some solutions for troubleshooting problems.

How to Find a Washer or Dryer Manual - The Spruce

This thrust washer can be used on most makes and models of dryers. A complete list of compatible dryers is available below. The washer is found on dryers around the drum support rollers and idler pulleys, and helps prevent the rollers and pulleys from bumping up against the brackets they are installed on.
