Haynes Manuals are aimed at a broader, consumer market. By producing a book that will be useful

for all piano owners, as well as those with a deeper technical interest, it's been possible to produce a work in full colour throughout. This is a tremendous boon! Many of us are familiar with the Haynes Manuals, having bought them for cars.

David Boyce Piano Technicians and Tuner

In my opinion in addition to it's value as a piano manual it is a very good read and I would recommend it to anyone with an interest in pianos. Extremely well written it is enriched with anecdotes, I thoroughly enjoyed the experiences recounted from decades of being occupied in tuning and repairing pianos in both the professional music world ...
