The audio-lingual method, Army Method, or New Key, is a style of teaching used in teaching foreign languages. It is based on behaviorist theory, which postulates that certain traits of living things, and in this case humans, could be trained through a system of reinforcement. The correct use of a trait would receive positive feedback while incorrect use of that trait would receive negative feedback.

Audio-lingual method - Wikipedia

Language Requirements. Students must be able to show language proficiency in a second language as part of their graduation requirements. For this reason, all MA students must take and pass examinations in one of the languages taught at the school.
