Master of the Senate. Master of the Senate, Book Three of The Years of Lyndon Johnson, carries Johnson's story through one of its most remarkable periods: his twelve years, from 1949 to 1960, in the United States Senate. At the heart of the book is its unprecedented revelation of how legislative power works in America, how the Senate works, and how Johnson, in his ascent to the presidency ...

I'm running for office because I see too many members of my community struggling to get by. Our friends and neighbors are working two and three jobs to provide for their families while their paychecks cover less and less of their expenses. Too many are needing to choose between food on the table and clothes for their children. I am running for office because someone needs to speak for and ...
