Despite much enthusiasm and support, the psychotherapy research Solution Focused Therapy doesn't support it's efficacy or effectiveness.

Solution Focused Therapy Efficacy - Psychotherapy.net

Family therapy, also referred to as couple and family therapy, marriage and family therapy, family systems therapy, and family counseling, is a branch of psychotherapy that works with families and couples in intimate relationships to nurture change and development. It tends to view change in terms of the systems of interaction between family members. It emphasizes family relationships as an ...

Family therapy - Wikipedia

Building on a strengths perspective and using a time-limited approach, solution-focused brief therapy is a treatment model in social work practice that holds a person accountable for solutions rather than responsible for problems. Solution-focused brief therapy deliberately utilizes the language and symbols of "solution and strengths" in treatment and postulates that positive and long ...
