How to Install Nest Hello Video Doorbell? | Smart Home Devices

And this is how you can make the IP camera set-up without Internet. Those wireless security camera video systems have built-in WiFi modules with frequency from Channel 9 of 2.4 GHz (of course you can change the channel by yourself within the WLAN channels), so that it won't mess with your router bands (if you have router networks).. Remember that you need to connect the system to a router if ...
